## 2022 STAFF DIVERSITY DATA

DISABILITY STATUS FOR ALL STAFF	Yes	No/Prefer not to provide/Did not respond
Disability Identification	2%	98%

As with our 2020 and 2021 demographic data, less than two percent of staff disclosed a disability. Due to low participation in this part of our staff survey, we are not disclosing disability data

by job classification to protect staff anonymity. As we continue to collect staff demographic data in the future, we hope to share this important data more fully.
